

THE SECOND EDITION OF THE GLOBAL SUMMIT FOR ICT INNOVATION

120 EXHIBITORS / 80 STARTUPS DEMOS / 60 EXPERT MASTERCLASSES
JOIN THE MOST STARTUP FRIENDLY SHOW IN THE EUROPEAN AGENDA!

WELCOME TO ICT SPRING 2011 !

ICT Spring is a worldwide two days event in the heart of Europe which brings together more than 1.500 ICT executives from Europe, America, Africa and Asia.

ICT spring focuses on INNOVATION and its lifecycle.

ICT key markets' latest available revolutions will be unveiled: social networks, mobile trends, security, applications, data centers, e-commerce... And hot upcoming ICT topics will be discussed : more than 140 demos of 10' and 4 keynotes and panels in plenary sessions.

From Startups to Venture Capitalists.

The Trade Fair part of the event will also give concrete examples of those innovations and business opportunities through 5 different "villages" (Online Business & Gaming, Infrastructure & Telecom, Funding & Finance, Cloud and e-Hosted solutions, Advisory & Consulting) gathering firms' stands through each innovation steps: R&D, Startups, Funding /Private Equity, Business Partners & Applications, Market & Strategic Consulting.

Start-ups will be the stars of the show. Coming from all continents, 80 startups will be invited to present the last innovations and tomorrows services used by professionals and consumers.

Special invitations will also be sent to 5.000 top worldwide venture capitalists and institutional investors as their support is one of the key factors in innovation.

More than 1.500 international ICT professionals expected.

During two days, ICT executives will attend conferences, workshops, business speed-dating sessions and high-level meetings which will give them an opportunity to network and exchange with the brightest worldwide minds of the industry, being informed of the last ICT issues and technologies on a worldwide scale.

We look forward to welcoming you to Luxembourg !

Fabien Amoretti
Managing Partner

Kamel Amroune
Partner

Jean Hilger
Chairman of the Advisory board

FLOOR PLAN

SPEAKERS

Saeed Amidi

CEO/President and Founder of the Plug and Play Tech Center, premier technology startup accelerator in the world with over 200 companies which collectively have raised an excess of \$ 750 million. He is also founding General Partner of Amidzad which holds successful investments in over 70 technology companies like: PayPal, Powerset, Danger, Bix, etc. He is working closely with MIT, Cornell, Harvard, Stanford, Berkeley,... in order to inspire and help entrepreneurs and startups out of universities.

Jean-Michel Billaut

One of the Internet Guru in France, awarded "Digital Personality of the Year" in 2010, president and creator of the "Atelier BNP Paribas" detecting and communicating on disruptive innovation. He has been a driving force behind Minitel, often considered as the « french internet before the web » by its reach and by revenues generated. He has one of the leading weblog in technology (<http://billaut.typepad.com/jm/>) and an upcoming new one in nanotechnologies which he considers a true revolution.

Chris Redlitz

He is a founding partner of Transmedia Capital, an investment and advisory group focused on early stage digital media companies, and managing partner of Kicklabs, a technology accelerator in San Francisco. He is a serial entrepreneur in digital media companies. He launched the first advertising exchange (AdAuction), online independent yellow page directory, automated coupon platform, RSS advertising and content syndication systems. He received Ad Age's prestigious i20 award for his contributions to the development of interactive marketing and advertising.

Brian Wong

Founder and CEO Kiiip.me

This young businessman is already known as a specialist in mobile marketing and mobile gaming with social game dynamics. In July 2010, Brian created kiiip.me, a mobile advertising platform that is bringing the mobile and gaming worlds. He was spotted by True Ventures and in particular Phil Black who invests \$200 000 in the project. Techcrunch and the Wall Street Journal recently called him the "youngest person (19 years old) to ever receive funding by a venture capital firm". Graduate from the University of British Columbia, he previously works at the social news website Digg.com and launched his Android mobile app. Next to this experience he starts his first startup in creating the first categorized Twitter discovery tool: Followformation.com.

Bernard Liautaud

Balderton Capital Partner

Bernard Liautaud founded Business Objects in 1990 and was CEO for 15 years then Chairman until January 2008. With 6,700 employees, 45,000 customers and \$1.5 billion of revenue in 2007, Business Objects was the world leader in Business Intelligence and one of the 15 largest software companies in the world. Business Objects was the first European software IPO on Nasdaq in 1994. In January 2008, Business Objects was acquired by SAP for \$6.8 billion, making it the third largest software acquisition at the time.

Bernard is now a member of the SAP Supervisory Board and its strategy committee. He is also a member of Cap Gemini's board and its strategy committee.

He has received a number of distinctions including "Chevalier de la Légion d'Honneur" in 2007 in France, Time Magazine Europe's Digital Top 25 and BusinessWeek Stars of Europe of 2002, Top 10 CEOs in North America by Chief Executive Magazine in 2001.

Gérard Lopez

Chairman Genii Capital, Founder Mangrove Capital Partners

Mr. Gerard Lopez is a Managing Partner and Co-Founder at Mangrove Capital Partners. Mr. Lopez has launched several products designed to make early stage and expansion stage investments in Europe. He looks at both internet consumer plays and enterprise software plays. He also serves as the Chairman at Genii Capital. Prior to launching the firm, Mr. Lopez created Icon Solutions and with his team, he acquired references such as Telstar, Lexus, Toyota, Dodge, Honda or Sony. Gerard Lopez is also a believer in entrepreneurship as an academic program and sits on the advisory council of Miami University's Business School in the US.
